TECHNICAL BROCHURE	
GROLEAF 20-20-20 + QPS + TE	**WATER-SOLUBLE FERTILISERS**

Balanced water-soluble crystalline fertiliser, enriched with trace elements.

GUARANTEED COMPOSITION

Total Nitrogen (N): 20.01% (Nitric Nitrogen (N-NO3): 0.32%, Uric Nitrogen (N-NH2): 19.69%, Ammonium Nitrogen (N-NH4): 0.00%) + Water-Soluble Phosphorus (P2O5): 20.03% + Water-Soluble Potassium (K2O): 20.09% + Water-Soluble Boron (B): 0.2166% + Water-Soluble, Chelated Copper (Cu) EDTA: 0.0549% + Water-Soluble, Chelated Iron (Fe) EDTA: 0.4650% + Water-Soluble, Chelated Manganese (Mn) EDTA: 0.2046% + Water-Soluble Molybdenum (Mo): 0.0149% + Water-Soluble, Chelated Zinc (Zn) EDTA: 0.3956% + QPS45: 2.00%.

Responsible for final marketing: FARMA-CHEM SA
Product: Lima Europe NV.

EC FERTILISER

RECOMMENDED USES AND DOSAGES:

Foliar sprays: 200-500 g/100 L of water.
Application with fertigation: 4-5 kg/1,000 m^2.

COMMENTS:

The recommended doses are purely indicative and vary depending on temperature, sunshine, soil pH and water availability, etc. Applications are recommended early in the morning or afternoon. Do not exceed recommended dosages. Application recommended only in accordance with the instructions for use of the label. Any other use is at the buyer's responsibility.

ADVANTAGES:

GROLEAF 20-20-20 + QPS + TE is a complete water-soluble crystalline fertiliser, enriched with trace elements. Excellent quality raw materials are used for its preparation, it contains Nitrogen, Phosphorus and Potassium in balanced proportions and is applied during the stage of growing crops' needs for nutrients and minerals. It is designed for application through irrigation systems and for foliar sprays.

COMPATIBILITY:

Contact your local agronomists.

TEMPORAL STABILITY OF PREPARATION - STORAGE CONDITIONS:

Store in its original packaging, closed, in a cool and well-ventilated environment.

- ***To avoid risks to human health and the environment, please follow the instructions for use.***
- ***ATTENTION:*** ***Always read the label and product information before each use. See warning phrases and symbols before using the products.***
